AUTOMA 373: 100% MADE IN ITALY FOR AUTOMATIC CENTERING AND MOUNTING OF FLEXOGRAPHIC PRINTING PLATES

**BIEFFEBI FOR OVER 60 YEARS
LEADER IN FLEXOGRAPHIC
PRINTING INDUSTRY**

AUTOMA 373

Latest generation and absolute precise plate mounter
totally made in Italy
for automatic centering and mounting of flexographic printing plates.
Thanks to this newest technology, the operations
are no longer left to the operator discretion.

TO ACHIEVE YOUR GOALS

AUTOMA 373 WITH VDP SYSTEM

The control of the register on image other than on microdot,
through the plate file, is done by the VDP SYSTEM software
(Virtual Data Processing) patents EP1666251 (B1) – US8037819 (B2)
ONE STEP AHEAD AND EVERYTHING UNDER CONTROL!
