

BIEFFEBI

FOR 65 YEARS LEADER IN THE FLEXOGRAPHIC PRINTING FIELD

PRESENT

AUTOMA 374

Latest generation and absolute precise automatic plate mounter
totally made in Italy

Thanks to this newest technology, the machine, while mounting, leaves the operator
free to do other jobs.

AUTOMA 374 WITH VDP SYSTEM

Other than on microdots, the control of the register is done on image,
through the plate file by the VDP SYSTEM software
(Virtual Data Processing)

Patents EP1666251 (B1) – US8037819 (B2)
